

Display Boards

Details of the display boards available for hire from the Diocese of Gloucester Resource Centre.

Our display boards are useful for events, special services, exhibitions and many other purposes. Booking in advance is strongly recommended. You might like to come and have a look before booking to make sure they will fit in your car: they are quite large and heavy, although they do have carry cases.

There are three display boards in total – details of the dimensions are given below. Some of them can be assembled at half-height, and so are suitable for standing on a table.

Health and safety!

Please take care when lifting and carrying the display boards. When in use, you are responsible for ensuring that the boards have been put up correctly, and are in a safe location where they cannot be knocked over.

You use the display boards at your own risk.

Display Board b Heavy-Duty blue zigzag 6 panels 95 x 64 cm
Display Board c Grey/Blue zigzag 6 panels 95 x 64 cm
Display Board d Grey/Blue zigzag 6 panels 95 x 64 cm
