

Adopt a (model) sheep competition

We are planning to run an '*Adopt a Sheep*' competition following on from the *Good Shepherd Project* this year. We will offer the opportunity to one school in each deanery to adopt one of the decorated, life-sized sheep models for the academic year 2019/20. That school and parish can then keep the sheep model and use it in their school/parish life for that year.

We will use the diary entries that you provide to judge between the schools, and will choose the school that has 'shepherded' the sheep model most creatively, carefully and enthusiastically.

To be considered for this project, please can you make sure that you:

- Provide a name for your sheep model which you would like to call it (on your school's front section page in this diary folder)
- Ensure that all diary entries are clearly labelled with your school's name and put in the correct sections
- Indicate on the front page of your school section if you would like to be included in this competition

Many thanks in advance for helping to make this exciting project run smoothly.

If you would like any more information regarding it, please do get in contact.
