

# Application Form

For schools in Gloucestershire  
**Encouraging action for RE**

This project seeks to encourage and support good practice in Religious Education.

## It does this by rewarding

- schools taking students on visits to two places of worship or receiving visitors from two different communities of faith and belief (or a combination of the two)
- Schools where members of staff attend and benefit from further training through Religious Education CPD
- Schools that go the extra mile in RE through entering a competition or putting on an RE day during the school year

All these elements should take place within an academic year.

## Academic year 2019-20
