# Gloucestershire REaction Award

Taking action for and in RE

The **RE**action Award is a project initiated and administered by Gloucestershire Standing Advisory Council on Religious Education (SACRE).

**SACREs are independent bodies that consider and advise on the provision of Religious Education in the area under the jurisdiction of their Local Authority; they are empowered to require a review of the locally agreed syllabus for Religious Education.**

Gloucestershire SACRE seeks to support local schools through its agreed syllabus, annual conferences and support for local network groups.

It works closely with the Diocese of Gloucester, RE Today Services and the National Association of Teachers of RE (NATRE).

The Gloucestershire REaction Award is based on the WIRE Award devised by Bristol and South Gloucestershire SACREs.
